Death Café

Tuesday 17th September, 1.30pm

The Banstead Centre, The Horseshoe, SM7 2BQ

A chat about death over coffee and cake might not be everyone's cup of tea, but it could get people talking about a subject that is still taboo for many.

In our Death Cafés we bring people together in an informal environment, with no agenda, just a simple, group-directed discussion.

By doing this we aim to empower communities with the knowledge, skills, confidence and support to engage with death, dying and loss.

In partnership with All Saints Church, Banstead.
